To whom it may concern,

I am writing to you regarding my concerns about property and facility maintenance at 890 Mount Pleasant Road.

It has recently come to my attention that there is a large amount of furniture and other items strewn on the front lawn of the property. It is unsightly, and I would appreciate if you would address this matter immediately.

In addition to the furniture, the outdoor pool on your property does not appear to be in use at all. Seeing as your website boasts the pool as one of its many amenities, I am sure your residents would appreciate its use during the remaining few weeks of summer.

I would appreciate a prompt response from you, outlining a timetable for resolving these concerns.

Sincerely,

Josh Matlow
